Re: BES Enterprises, Inc. v. Natanzon et al., Docket No. 05-10477-GAO

Dear Ms. Edge:

I am writing to update the Court on the status of discovery related to the pending motion to dismiss and to request a further indulgence related to scheduling.

I received today from the defendants redacted documents and a proposed confidentiality order; unfortunately I will be away for two week after today, including a week as a leader at summer camp for Boy Scout Troop 11 of Marblehead. This makes it effectively impossible for me to deal with the discovery or consider a supplemental filing on the pending motion until after I have returned.

Sincerely,

Brian W. LeClair

Enclosure
